3. **Minutes of the previous meeting** - Monthly meeting June 14th 2010 Moved Don Westlake
2nd Joe Evans
4. **Business arising**
 - Discussion regarding Bus stops and shelters, speeding through town and footpath to the Rocking Horse with Val Hall.
 - Val explained she thought the Bus stop could probably be moved but no shelter would be provided until next year and we should not expect to have two provided, only one. We must email our local councillor in February 2011 for next years Council Budget. In regard to speeding thru town additional 50km signs won't be supplied. Val will ask for painting of parking bays/bike lanes down the main road, stickers on bins, permanent signs on planter tubs, a pedestrian crossing perhaps at the new bus stop was not likely. Val has found the slow point in Birdwood can be quite dangerous with trucks driving straight over them. Concealed driveway sign-unsure if it would be any value in slowing down cars. The footpath to the Rocking horse has commenced.
 - We have cancelled the GCA listing on southaustralia365.com - very low hit rate so we won't pay for a further listing.
 - Website development - we have our domain name - \$45 for 2 yrs - log in details coming in next few days and then the site will be commenced to be built www.gumeracha.sa.au(Kerrie)
 - Heritage Walk brochures reprint happening soon
5. **Treasurer's report**

Our 30/06 balance of \$7393.23 shows we have sufficient funds for what we have budgeted for this coming year. Moved Joe Evans^{2nd} Kerrie Drogemuller
